

MEDICAL CANNABIS- UTAH INFORMATION and LAWS

Available Forms of Medical Cannabis

In Utah, medical cannabis is only available in the following forms under the Utah Medical Cannabis Act:

- Aerosol
- Tablet
- Capsule
- Concentrated oil
- Liquid suspension
- Transdermal preparation
- Sublingual preparation
- Gelatinous cube
- Unprocessed cannabis flower in a tamper-evident and a resistant container that is opaque that contains a quantity that varies no more than 10% from the stated weight at the time of packaging
- Wax or resin
- Medical cannabis devices such as a vaping pen that warms cannabis material into a vapor without the use of a flame and that delivers cannabis to an individual's respiratory system

Smoking cannabis is not permitted, however, vaping cannabis is permitted

The **law prohibits** the unprocessed flower outside of the blister pack, candies, cookies, brownies, and other edible products.

Purchase and Possession of Medical Cannabis

Per Utah law, qualifying patients may not **possess** more than an amount sufficient to provide 30 days of treatment based on the dosing guidelines recommended by their recommending medical provider and may **NOT** exceed:

- More than 113 grams of unprocessed cannabis (raw bud or flower in blister packs)
- More than 20 grams of total composite THC in all other medicinal dosage forms

Within a 30-day period, qualifying patients may not **purchase** more than an amount sufficient to provide 30 days of treatment based on the dosing guidelines recommended by their recommending medical provider and may **NOT** exceed:

- More than 113 grams of unprocessed cannabis (raw bud or flower in blister packs); and
- More than 20 grams of total composite THC in all other medicinal dosage forms.
