

MEDICAL CANNABIS

PRE AND POST CARE

PRE-TREATMENT CARE:

- Must be a Utah resident and must have at least one qualified medical condition (as listed in our FAQ Cannabis page)
- Submit an online application through the Electronic Verification System (EVS)
- Meet in person with a Qualified Medical Provider (QMP) registered with the Utah Department of Health to recommend medical cannabis
- Have your QMP certify your eligibility for a Medical Cannabis Card online
- Pay the online application fee

POST-TREATMENT CARE:

- Keep your medical cannabis in a secure place and use child-proof containers for storage
- Make sure you can always see the original label and warning disclaimer on the package
- Store medical cannabis out of sight and out of reach of children
- Never use medical cannabis around children
- Treat medical cannabis like any other medication
- Use the lowest effective dose
- Never drive while using medical cannabis
- Do not sell, resell, or gift medical cannabis
- Do not mix medical cannabis with alcohol or recreational drugs
- Avoid cannabis if you are pregnant, planning on being pregnant, or breastfeeding. If you become pregnant while using medical cannabis, stop using medical cannabis, and contact your physician
- Call 911 if you experience suicidal thoughts
